Account Executive	Test Account Executive	Active	—	—

Admin Center messages go to: **Test Account Director · test.accountdirector@example.com**

Direct to Account Director

How the Admin Center contact works

1. The system reads the Account Director on this account team and checks their Dynamics user record.
2. **No End Date = Active:** their details are shown in the Admin Center account team and customer messages are emailed to them.
3. **End Date set = Inactive:** customer messages are automatically diverted to the Account Director's manager, the billing contact is told and a Billing Support case is opened to assign a new Account Director.

Customer messages from the Admin Center

No messages yet. When the customer uses Send a message or Request a call in the Admin Center, the email appears here with who it was sent to.
